Accessories

For complete waterproofing for 10-years, BARDOLINE CLASSIC can be fitted with a range of complementary accessories and fixings:

For maximum ventilation, **ONDUTISS** membranes are the recommended air permeable membrane to use with BARDOLINE CLASSIC for all timber build structures.

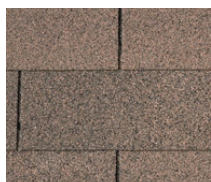

BARDOLINE detail strip roll has a coloured mineral surface, ideal for use on roof ridges and all other detailing work and is used alongside BARDOLINE shingles. Available in matching colours.
